

**Jack Boy** by kate of kaia - Nov 19<sup>th</sup>, 2014

I'm a wakin' up the Jack boy, He's a Bowin' to the right  
Dazzled by the damsel, As she dances through the night  
The Faeries gather pixie dust, To sprinkle in their hair  
There's to be a celebration Can't ya feel it in the air?

**Jack Boy oh Jack Boy, bow ye to the right**

**Jack Boy oh Jack Boy ya look a ragged sight**

**Jack Boy oh Jack Boy oh what's a bride to do?**

**So bow the mid that Jack Boy did, And all heaven bowed then too!**

The storms of winter's tempest, Have now yielded to the spring  
As the angels and the dragons, Form the circle. a song to sing  
A voice was heard from heaven high, As Gideons' trumpet loosed  
The harp whose voice long silenced cries, Returns the gold to Mother Goose

**Chorus: Jack Boy**

And dance they did and dance they will, In the heart forevermore  
Where heaven's fire burns deep within, Where sorrow is no more  
With single voice we give a shout, Ol' Jack boy's made it home  
At long last faith has found his crown, Intact though a little worn

**Chorus: Jack Boy**

The crown of thorns, now smooth as silk, Has been finally worn enough  
It took a head as hard as stone, And a loving heart made tough  
But ol Jack Boy knew the bride he loved, He'd settle for nothing less  
Than all he had and all he'd give, When yer courtin' heavens best

**Chorus: Jack boy**
