

¹ONLY HEARTS

Does the rain still fall from where you stand?
Are you not quite sure of you?
Does the heart that pound within you now,
Really know what must be true?

Is the sun forever hiding?
have you still got clouds to see?
There I am the rainbow to guide you.
If you please.....?

**Only hearts this strong can weaken
Only hearts this strong can cry
Only hearts that feel the way ours does
Can understand the why...
Only love as strong as kindness
Can release you from the chains
Of a love so strong for someone true
Only hearts like ours remain.**

Can you feel the storm clouds moving?
Are the pictures getting clear?
Do you at long last see the heart that's mine?
You must know that I am near.

I will take you in my arms tonight,
I will show you what it means.
To at last see why, to know the love,
That only hearts like ours can see.
